ABOUT ME

Self-motivated ITtechnician from Bangladesh, currently based in Mussafah, Abu Dhabi (UAE) since July 2022, with over 3 years of hands-on experience in CCTV installation, DVR/NVR configuration, and MikroTik router setup for small offices, shops, and homes. Skilled in Hotspot, PPPoE, basic routing, NAT, firewall rules, and Wi-Fi/network troubleshooting, providing both on-site and remote support to clients. Also experienced in door closer and door lock installation and maintenance. Now seeking an opportunity in Italy as an IT / CCTV / Network Technician and ready to relocate if a company cansponsor a work permit (Nulla Osta).
